About

JOE LAMBERT'S BIO IS HERE.

FROM THE WEBSITE:

The Center for Digital Storytelling assists young people and adults in using the tools of digital media to craft, record, share, and value the stories of individuals and communities, in ways that improve all our lives.

The Center is a California-based, non-profit, 5019(c)3 arts organization rooted in the art of personal storytelling. it is a project development, and research organization. It's focus is on developing large-scale projects for community, educational, and business institutions, using the methods and principles of the Digital Storytelling Workshop.

It also offers workshops for organizations and individuals and serve as an international clearinghouse of information and resources about storytelling and new media.
